DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) filed on 10/12/04 has been considered. See Attached PTO-1449 Forms.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

- (b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.
- 3. Claim 13 is rejected under 35 U.S.C. 102(b) as being anticipated by US Patent No. 5,690,807 (Clark, Jr. et al).

Clark, Jr. et al disclose silicon nanoparticles of particles "size less than about 10 nanometers" (See claims 1, 18,19, 21-23). No difference is seen between the instantly claimed invention and the invention of Clark, Jr. et al. Clark, Jr. et al particles size range clearly embrace the instantly particles size of 1, 1.67, 2.15, 2.9 and 3.7 nanometers.

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Maribel Medina whose telephone number is (571) 272-1355. The examiner can normally be reached on Monday through Friday from 7:30 AM to 4:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stanley Silverman can be reached on (571) 272-1358. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
